

## Speakers include:

Henri Berestycki, École des Hautes Études en Sciences Sociales

Haïm Brezis, Rutgers University

Michel Chipot, University of Zürich

Irene Fonseca, Carnegie Mellon University

Avner Friedman, Ohio State University

Robert Hardt, Rice University

Richard James, University of Minnesota

Robert Kohn, Courant Institute

Michal Kowalczyk, University of Chile

Fang-Hua Lin, Courant Institute

Chun Liu, Pennsylvania State University

Mitchell Luskin, University of Minnesota

Umberto Mosco, Worcester Polytechnic Institute

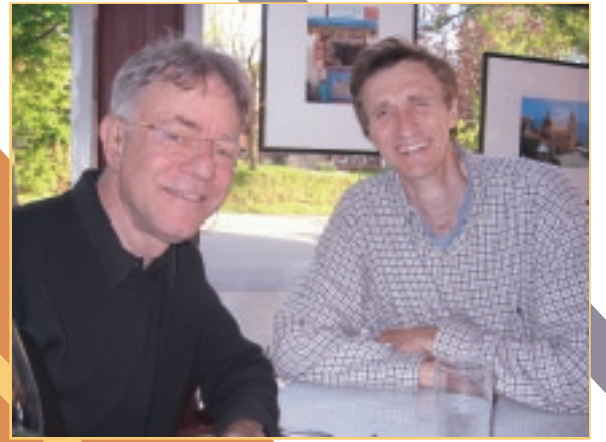

Louis Nirenberg, Courant Institute

Felix Otto, University of Bonn

Pablo Pedregal, University of Castilla-La Mancha

Tony Rollett, Carnegie Mellon University

Giorgio Vergara-Caffarelli, University of Rome "La Sapienza"

# A Conference on Applied Analysis on the Occasion of the 65<sup>th</sup> Birthday of David Kinderlehrer

Carnegie Mellon University, Pittsburgh, PA  
October 19–21, 2006

## Center for Nonlinear Analysis

Carnegie Mellon University

Department of Mathematical Sciences

Pittsburgh, PA 15213

Telephone: (412) 268-2545

Fax: (412) 268-6380

E-mail: [cn0s@math.cmu.edu](mailto:cn0s@math.cmu.edu)

<http://www.math.cmu.edu/cna>

## Organizers:

Irene Fonseca, Stuart Hastings, Giovanni Leoni,  
Shlomo Ta'asan, Noel Walkington

The conference is sponsored by the  
National Science Foundation and  
the Department of Mathematical  
Sciences at Carnegie Mellon  
University

**Carnegie Mellon**

**CNA** Center for Nonlinear Analysis
