

WORKSHOP ON NEW TRENDS IN CALCULUS OF VARIATIONS & MASS TRANSPORT

Carnegie Mellon University, Pittsburgh, PA
The Erwin Steinberg Auditorium, Baker Hall A53
March 13–15, 2008

THE LIST OF SPEAKERS INCLUDES:

Alberto Bressan, Penn State University
Almut Burchard, University of Toronto, Toronto, Canada
Irene Fonseca, Carnegie Mellon University
Nicola Fusco, University of Naples, Naples, Italy
Piotr Hajlasz, University of Pittsburgh
Tadeusz Iwaniec, Syracuse University
Robert Jerrard, University of Toronto, Toronto, Canada
David Kinderlehrer,
Carnegie Mellon University
Pekka Koskela, University of Jyväskylä,
Jyväskylä, Finland
Jan Malý, Charles University, Prague, Czech Republic
Robert McCann, University of Toronto,
Toronto, Canada
Massimiliano Morini, SISSA,
Trieste, Italy
Jani Onninen, Syracuse University
Aldo Pratelli, University of Pavia, Pavia, Italy
Dejan Slepčev, Carnegie Mellon University

ORGANIZERS:

Nicola Fusco and Giovanni Leoni

Center for Nonlinear Analysis
Carnegie Mellon University
Department of Mathematical Sciences
Pittsburgh, PA 15213
Telephone: (412) 268-2545
Fax: (412) 268-6380
