

Math 21-259 Spring 2011

Homework Assignment # 14

PRINT the following information below.

Last Name: _____ First Name: _____

Section Number : _____

Read the following instructions carefully:

- ◆ Print out this file and complete the problems. You must do **ALL** the problems!
- ◆ Use a blue or black pen or a pencil.
- ◆ Write your solutions in the space provided and put the final answer in the box.
- ◆ You may use extra sheets for any additional explanation.
- ◆ You must show work in order to receive credit for a problem.
- ◆ Remember that your homework must be complete, neatly written, and stapled.
- ◆ Submit the completed homework to your Teaching Assistant at the beginning of the recitation on the given due date.
- ◆ Any deviation from the above instructions will result in a zero credit for the homework.
